BACKGROUND

- The H-1B is a visa in the United States under the Immigration and Nationality Act, section 101(a)(15)(H) which allows U.S. employers to employ foreign workers in specialty occupations
- Due to its accessibility and convenience, it is one of the most popular and widely sought specialty occupation visas

DEMO

FINDINGS

- Highest paying jobs tend to be in Management , Legal and Healthcare Practitioners and Technical Occupations
- The most plentiful jobs are in Computer and Mathematical Occupations and Architecture and Engineering Occupations
- In San Diego, for example, Qualcomm applies for the most H1Bs but Synopsis Inc, pays the highest wages (on average, of the Top 20 companies shown in the dashboard)

THANK YOU
